REVIEWS

<i>Arts in LA Foxfinder</i>	<i>"Frail yet eternally strong, savvy yet desperate and crumbling...Sara Hennessy is almost translucent, every emotion playing gently across her face. And she does so mere feet from the audience that surrounds her..."</i>
<i>LA Times Hunter Gatherers</i>	<i>"Hennessy in particular parlays superb deadpan naiveté into a journey of self-discovery through the dark corners of Pam's psyche – a journey that ultimately takes on metaphysical dimensions."</i>
<i>Back Stage West Hunter Gatherers</i>	<i>"Hennessy's shrinking-violet housewife is a wonderfully detailed combination of nervous tics and subtle facial expressions denoting Pam's repressed despair."</i>
<i>Variety The God Botherers</i>	<i>"Hennessy is superb as the evolving Laura."</i>
